Independent Auditor's Report

Board of Directors Citymeals-on-Wheels

Report on the Financial Statements

We have audited the accompanying consolidated financial statements of Citymeals-on-Wheels and its subsidiary (the Organization), which comprise the consolidated statement of financial position as of June 30, 2019, the related consolidated statements of activities, functional expenses and cash flows for the year then ended, and the related notes to the consolidated financial statements (collectively, the financial statements).

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Organization as of June 30, 2019, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Report on Summarized Comparative Information

We have previously audited the Organization's 2018 financial statements, and we expressed an unmodified audit opinion on those financial statements in our report dated November 9, 2018. In our opinion, the summarized comparative information presented herein as of and for the year ended June 30, 2018, is consistent, in all material respects, with the audited financial statements from which it has been derived.

Emphasis of Matter

As discussed in Note 2, the Organization adopted Financial Accounting Standards Board Accounting Standards Update (ASU) 2016-14, *Not-for-Profit Entities (Topic 958): Presentation of Financial Statements of Not-for-Profit Entities*, during the year ended June 30, 2019. The adoption of the ASU resulted in additional disclosures, and changes to the classification of net assets and disclosures related to net assets. The adoption of the ASU has been applied retrospectively to June 30, 2018, the earliest year presented. Our opinion is not modified with respect to this matter.

Note 1. Organization

Citymeals-on-Wheels' (Citymeals) mission is to provide weekend and holiday meals, emergency food packages and other food-related services to the homebound elderly and other at-risk elderly populations in New York City, supplementing, through private dollars, the government's limited weekday-only meal program, which is administered by the New York City Department for the Aging (DFTA). Citymeals works in cooperation with DFTA and with local voluntary agencies, the same agencies with which the city contracts for delivery of weekday meals.

The consolidated financial statements include the accounts of Citymeals and Citymeals-on-Wheels Property, LLC (the LLC) (collectively referred to as the Organization). The LLC is a single-member limited liability company of which Citymeals is the sole member.

Citymeals raises funds from the general public (e.g., corporations, private foundations, public charities and individuals) for the provision of meals for the homebound elderly (program services) by means of direct-mail solicitations, media campaigns and by sponsoring special fund-raising events. All funds raised for the meals programs are considered by management to be unavailable for covering administrative or fund-raising costs. Separate solicitation requests are sent to corporations, private foundations and board members to supplement an annual grant received from DFTA for administrative purposes. Citymeals also raises contributions for the LLC to fund the financing, renovation, and programs running out of the Citymeals Emergency Food Distribution Center (the Distribution Center). Interest and investment income, unless explicitly restricted by donors, is available to be used for administrative purposes.

Net assets without donor restrictions as of June 30 are for the following purposes:

Note 2. Summary of Significant Accounting Policies

The Organization follows the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP) for not-for-profit organizations. All intercompany accounts and transactions between Citymeals and the LLC have been eliminated in consolidation.

The classification of a not-for-profit organization's net assets and its support and revenue is based on the existence or absence of donor-imposed restrictions. Accordingly, net assets and changes therein are classified and reported as follows:

Net assets without donor restrictions: Net assets available for use in general operations and not subject to donor restrictions.

Net assets with donor restrictions: Net assets subject to donor-imposed restrictions. Some donor-imposed restrictions are temporary in nature, such as those that will be met by the passage of time or other events specified by the donor. Other donor-imposed restrictions are perpetual in nature, where the donor stipulates that resources be maintained in perpetuity. Donor-imposed restrictions are released when a restriction expires, that is, when the stipulated time has elapsed, when the stipulated purpose for which the resource was restricted has been fulfilled, or both.

Unconditional contributions received are recorded as support with or without donor restrictions, depending on the existence or nature of any donor restrictions. Donor-restricted gifts of cash and other assets whose restrictions are met in the same reporting period are reported as support and revenue without donor restrictions. The restriction on contributions for building and equipment is released when such building and equipment are placed in service. Contributions receivable due within one year are recorded at their net realizable value. Contributions receivable due in more than one year are recorded at the present value of their net realizable value, using risk-adjusted interest rates at the time the promise is received.

Grants awarded by governmental agencies are recognized as revenue without donor restrictions as the program expenditures are incurred.

Donated goods and services are recorded at fair value and reflected as both revenue and expense in the accompanying consolidated statement of activities.

Investments are stated at fair value, with the resulting investment return or loss recognized in the consolidated statement of activities.

The Organization maintains its cash in bank deposit accounts which, at times, may exceed federally insured limits. The Organization has not experienced any losses in such accounts.

Depreciation of property and equipment is computed on the straight-line method over the estimated useful lives of the assets. Amortization of leasehold improvements is being provided for by the straight-line method over the term of the lease. The Organization capitalizes the cost of all property and equipment purchases that are greater than \$10,000.

Citymeals enters into annual contractual commitments with weekend, weekday and holiday meal providers. Approximately 20% of contracts are advanced to providers when the contracts are signed, usually each year in June or July. Payments to or refunds from meal providers are made pursuant to contract provisions with a final settlement made shortly after year-end.

Notes to Consolidated Financial Statements

Note 2. Summary of Significant Accounting Policies (Continued)

The costs of providing the various programs and supporting services have been summarized on a functional basis in the consolidated statement of activities. Accordingly, certain costs have been allocated among the programs and supporting services benefited.

Citymeals is exempt from income taxes under Section 501(c)(3) of the Internal Revenue Code and all of Citymeals' activities were performed in accordance with its tax-exempt purpose. Citymeals is not classified as a private foundation, and is subject to unrelated business income tax (UBIT), if applicable. For the years ended June 30, 2019 and 2018, Citymeals did not have material UBIT expenses and liabilities. The LLC is treated as a disregarded entity for tax purposes. Management evaluated the Organization's tax positions and concluded that the Organization had taken no uncertain tax positions that require adjustment to these consolidated financial statements.

The consolidated statement of functional expenses includes certain prior-year summarized comparative information in total but not by functional classification. Such information does not include sufficient detail to constitute a presentation in conformity with U.S. GAAP. Accordingly, such information should be read in conjunction with the Organization's consolidated financial statements for the year ended June 30, 2018, from which the summarized information was derived.

The preparation of consolidated financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the consolidated financial statements and the reported amounts of revenue and expenses during the reporting period. Actual results could differ from those estimates.

The Organization applies the Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820, *Fair Value Measurement*, which provides a framework for measuring fair value under U.S. GAAP. ASC 820 applies to all financial instruments that are being measured and reported on a fair value basis.

As defined in ASC 820-10, fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value of investment securities is the market value based on quoted market prices, when available, or market prices provided by recognized broker-dealers. If listed prices or quotes are not available, fair value is based upon externally developed models that use unobservable inputs due to the limited market activity of the instrument. Financial assets and liabilities carried at fair value are classified and disclosed as Level 1, 2 or 3 depending on the type of inputs used to arrive at fair value.

The Organization evaluates events occurring after the date of the consolidated financial statements to consider whether or not the impact of such events needs to be reflected and/or disclosed in the consolidated financial statements. Such evaluation is performed through the date the consolidated financial statements are available for issuance, which was November 12, 2019 for these consolidated financial statements.

Note 2. Summary of Significant Accounting Policies (Continued)

Recently adopted accounting pronouncement: In August 2016, the FASB issued Accounting Standard Update (ASU) 2016-14, *Not-for-Profit Entities (Topic 958): Presentation of Financial Statements of Not-for-Profit Entities.* The Organization has adopted this ASU in the year ended June 30, 2019. The adoption of the ASU has been applied retrospectively to all periods presented. The impact to the consolidated financial statements includes a change in the net asset classification from unrestricted, temporarily restricted, and permanently restricted to with donor restrictions and without donor restrictions, additional disclosure on liquidity and availability of resources analysis (see Note 3) and an expanded disclosure on the functional expense allocation (See Note 8). The underwater endowment as of June 30, 2018 in the amount of \$100,403 previously included in unrestricted net assets balance is classified as net assets with donor restrictions under ASU 2016-14. The reclassification of net assets as of June 30, 2018 under ASU 2016-14 is as follows:

\$ 33,824,634
595,110
500,000
\$ 34,919,744
\$ 33,925,037
595,110
399,597
\$ 34,919,744

Recently issued accounting pronouncements: In February 2016, the FASB issued ASU 2016-02, *Leases (Topic 842)*. Under the new guidance, lessees are required to recognize lease assets and lease liabilities on the statement of financial position for leases with terms longer than 12 months. The new standard is effective for fiscal years beginning after December 15, 2019, including interim periods within those fiscal years. In July 2019, the FASB approved proposal to delay effective date by one year for private companies. If finalized, the ASU will be effective for the year beginning after December 15, 2020. Management is currently evaluating the impact of this ASU on the consolidated financial statements.

In June 2018, the FASB issued ASU 2018-08, *Not-for-Profit entities (Topic 958): Clarifying the Scope and the Accounting Guidance for Contributions Received and Contributions Made.* This ASU clarifies the guidance presented in Topic 958, *Not-for-Profit Entities*, of the FASB ASC for evaluating whether a transaction is reciprocal (i.e. an exchange transaction) or nonreciprocal (i.e. a contribution) and for distinguishing between conditional and unconditional contributions. The ASU is effective for fiscal years beginning after December 15, 2018. Earlier adoption is permitted. Management is currently evaluating the impact on the consolidated financial statements.
